Taking Care of Business Archives Available

**January 9th 2018: From the Top of the Ski Hill to
the Top of the Office Tower**

As the world changes, the economic environment sees trends that impact the way we do business. What are the causes of these changes? Are millennials the driving force? How are their choice in business, life and progression changing what we see around us today? Along with millennials, we see technology has a large part in how we view business and the world. How does the general population view this world given the changes occurring daily, but also the disruptive environment of 2017?
