August 14th 2018: Endings: The Invitation To A New Adventure

Have you resisted letting something go even when you knew it was time? What if the closing of one door is actually an invitation to a new adventure and if we didn't try to define it and confine it with the views of this reality, what truly might be possible then? Come join Dr. Lisa Cooney as this week marks the end of the Voice America Show, Beyond Abuse, Beyond Therapy, Beyond Anything. We have plenty of creations up our sleeve and we can't wait to share them with you as we embark on our own new adventures.
