September 25th 2018: How Developmental Maturity Aligns with Organizational Maturity

During this show, Terri, Kim and Maureen talk about the interconnection between organizational issues and levels of developmental maturity. The conversation focuses on three types of issues and how they map to maturity as well as approaches to address them: 1. Existential, the group is moving to a new developmental level. How does it look for the organization? How do you see individuals? Do you have recommended course of action to help move forward? 2. Breadth, the group has the necessary philosophy and capacities at the level they are at, but they don't have the skills they need. Ho
