**October 7th 2018: Teachers Helping Teachers!**

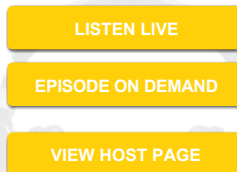

In the challenging and complex world of education, teachers can often feel like "an island" - alone and destined to manage their overflowing class of young minds all on their own. Yet like for EVERYONE, support, teamwork, and camaraderie are KEY in an educator's life. Interestingly enough, one of the most profoundly important and uplifting sources of support can come from other teachers! Building a strong support system with a local educator team AND via a national or even global teaching community can make all the difference in the world - to a teacher and his or her family, school, and student.
