October 15th 2018: Ep. 52: Expert Advice From An Experienced CISO

One of the most successful Cyber Security Executives in the Media and Entertainment Industry, Mike Higgins, appears on Task Force 7 Radio to talk about how he pivoted from government to a consultant and ultimately to being one of the recognized CISO's in the security industry. Mike talks with Host George Rettas about why the Media and Entertainment sector was among the last industries to recognize information security as a real material risk to their business, what kind of growing pains Companies and Executives go through when a firm hires their first CISO, and what are some of the first
