Occupy Health
Friday at 11 AM Pacific
December 14th 2018: GMO: Secret Ingredients

Jeffrey Smith, the leading consumer advocate promoting healthier non-GMO choices, discusses the health risks and politics behind genetically modified foods and the herbicide, glyphosate which is found in round-up. He discusses his latest film, Secret Ingredients, which include compelling stories of improved health when a person switches to an organic diet. In this episode you will learn about genetically modified foods, herbicides such as glyphosate, and their health effects
