July 29th 2019: Flourish In The Age Of Uncertainty

What does it take to succeed in today's marketplace? A marketplace where customers demand more, your competitors are improving, and disruption is everywhere. To succeed you need to transform and master continuous change. Join us for this exciting episode, where award-winning author, highly acclaimed keynote speaker, and successful consultant, Randy Pennington walks us through what it takes for your organizations to continually grow, adapt and remain nimble, plus he'll share the accelerators he has identified to take your company next level and gain competitive advantage.

Randy Pennington

Randy Pennington helps leaders deliver positive results in a world of accelerating uncertainty and change. His clients include many of world's best-managed companies, associations, government agencies, and universities. Additionally, Randy serves as an instructor in the Cox Business Leadership Center at Southern Methodist University. Randy is author of three books: Make Change Work, named the 2013 best general business book by USA Book News; Results Rule!®, named the 2007 best general business book by USA Book News; and On My Honor, I Will which Ross Perot described as having "cracked the code of great leadership." Pennington's ideas have been featured in leading visual and print media
