**Cure for Management Poisons**

Shannon Whittington RN MSN PCC C-LGBT, was on Once a Nurse September 23, 2019 discussing Nursing Care for Transgender patients. I so enjoyed that conversation and received a lot of response to it, that I decided to bring her back on another topic. On November 4th, she joins me in her capacity as a Servant Based Leader Expert. I can't wait! Join us on VoiceAmerica.com, Health & Wellness at 12 Noon CT for our dialogue on a new look at the subject with topics such as: Share your biscuit; Play nice; Nap time; Do not steal; Five fingers on our hip, one finger on our lip.
