November 26th 2019: Are You Underinvested in Gold?

Frank Holmes and Chris Taylor return. Wall Street and the Keynesian economists who dominate American groupthink have applied anti-gold propaganda ever since Lord Keynes called the yellow metal a barbaric relic. That has been a ploy to enable power to be transferred to the elite and away from the middle class, as fiat money, based not on assets but debt, has enslaved the masses of the world. For average folks to survive, they need to hold assets that hold their value while fiat money purchasing power rapidly declines. Gold is king when it comes to retention of purchasing power and in bull marke
