**December 2nd 2019: WELL DONE 12 Biblical
Business Principles That Leaders Can Use To
Grow Their Business -- Part 2**

Well Done are the words that drive any faith driven business leader to strive for excellence in building their business and ordering their life. Although Well Done has a noble connotation to it, many business leaders including myself have a difficult time describing and defining what Well Done looks like in the life of a business that is led by a person of faith. In this book, I will attempt to describe and practically apply the twelve biblical business principles that can help any leader who desires to grow their business and Kingdom impact to know how they can hear the words Well Done at t
