Beyond Financials: The People Side of Mergers & Acquisitions Archives Available

How does a fast-growing, risk tolerant company merge with a company that values consensus and careful decision making? Are you headed for a culture clash? Do your people understand and agree with the strategy? How do you choose between two CFOs? While the financials may work for a deal, reaping the benefits of a merger or acquisition is a notoriously risky undertaking when organizational development factors are not considered.

Our show focuses on the capabilities and best practices required for companies to master the integration phase of M and A relating to people, culture, skills se
