December 24th 2007: How to Maintain, Rebuild and Protect Your Credit – Special Encore Presentation!

With Americans going in record amounts of debt, it is more important than ever for you to make sure your credit report and score are as accurate as possible. John Ventura, author of the Credit Repair Handbook, explains in this interview how to correct inaccurate information on your credit report, how to rebuild your credit history, how to understand your FICO score, how to protect yourself against identity theft and how to maintain a good credit history. Having a negative or incorrect credit file can destroy your financial life —like John Ventura arm your with knowledge so you can make the m
