

Dr. Julie Mayer's PET PANORAMA

Advice & Answers for Animals

Pet Panorama Archives Available

The focus of Pet Panorama is to educate, share, and interact with Companion Pet Parents while exploring the realm of Holistic Pet Care and Husbandry. Our pet show will reveal the more natural approaches available to raising healthy pets so they can thrive and not just survive. The material and your participation will be organized and presented with different monthly topics along with four related weekly subtopics. You'll have the opportunity to ask questions directly and share your experiences too! We also encourage participation via Social Media and E-mail.
