**guide to wealth and financial security.**

Gary and Margaret Smith make a convincing case why home ownership is still an excellent investment for most people, despite the recent drop in home values. In this interview, they offer tips on finding a good realtor, finding the right home in today's market, getting the best mortgage and how to buy a vacation home. They expound on their concept of home dividends. They also explain the ins and outs of investing in real estate for profit in today's volatile environment. With real estate prices down, now is the best time to buy a home and the Smiths tell you the best way to do it!
