August 1st 2008: Thriving Futures: Nature Matters

Cheryl Esposito welcomes Bo Ekman, founder and Chairman of the Tällberg Foundation an international non-profit organization established in Sweden. The Foundation's work is based on humanistic values and a holistic systems approach. It aims to help leaders grow as human beings and act with purpose when managing the challenges of global interdependence. For Bo, the key to our future is making globalization work—economically, politically, socially, and culturally. He says, "We must design solutions to reconcile the imbalances between earth systems and the human endeavor to support economic growth
