

The Clean Energy Revolution Archives Available

The Clean Energy Revolution radio show is the sworn enemy of energy dishonesty and political misdirection, special interest, utility smugness and anti-energy independence. We raise and ask the questions that you would ask while also identifying real prospective and application with clean energy. We confront real news events surrounding energy and special interest with a keen observation in the abandoning of constitutional protection in self-generation and responsible energy generation coupled with taking back our independence and voice.

Our show covers clean energy technology, actual
