Don't miss this compelling episode! We are going to talk with a variety of women who are able to Ejaculate! We'll talk about how they learned to do it, what it feels like and why they are proud to share their feminine waters with their partners. And of course I will share my personal story about how I learned to surrender into this type of orgasmic experience. If you are curious about Female Ejaculation, want to share it with your partner, or just want to listen to women talk about their experiences then be sure to listen in. D.
