April 14th 2010: A New Hope for Humanity**

Jim Law is currently Producing and Directing a Documentary film called Hope For Humanity, which is slated for release in May 2010. Peter and Jim will discuss the film which explores the lives of Gifted Children, with eye-opening clues as to why Big-Pharma keeps kids (and adults) on Meds. It teaches people how to re-awaken to become fully actualized human beings by re-igniting the spark of their true essence. From the time of birth to the main-stream school system, kids and young adults are already being programmed to think a certain way. Learn how to break old patterns and belief systems that
