September 22nd 2010: The Secret History of
Consciousness**

What do the so-called sacred sites all over the world have to do with consciousness? Is it possible that the ancients left us keys to who we really are and what we are capable of? What does sacred geometry have to do with these sites, our consciousness, and the symbols of World Religions? How does all of this tie together to literally solve the meaning of the Mayan calendar? Dr. Meg Blackburn returns to the show to discuss her latest book: "The Secret History of Consciousness." She will talk about major connections between sacred sites across the World, consciousness, creation, sacred geometry
