February 16th 2011: Adam's Calendar; Discovering the Oldest Man-made Structure on the Earth

Michael Tellinger has become one of South Africa's bestselling export authors. His regular articles on human origins and his book *Slave Species of God* have been praised by readers in over 20 countries. More than 75,000 years ago, early humans built a stone calendar that predates all other man-made structures found to date. This remarkable stone structure was originally a large circular structure resembling, but predating Stonehenge by many thousands of years. Adam's calendar is built along the same longitudinal axis as the Great Pyramid and is also aligned with Orion's belt when it rose on the
