March 30th 2011: Great complexity ahead!...Are CEOs/CIOs ready?

Each day that passes, we see a more volatile, uncertain, and complex business world, evolving. While we struggle mightily to sustain our current existence, and perhaps eke out some incremental growth as we travel along, what is our plan to handle the road farther ahead? How are CEOs, CIOs, and other members of business leadership planning to handle a future of possibilities and challenges?
