June 8th 2011: Awesomism - A New Way to Understand the Diagnosis of Autism

After a 22-year career as a pediatric speech language pathologist, Suzy Miller met a four-year old child diagnosed with autism who was destined to change not only the way she viewed autism, but life in general. This powerful interaction left her with the skill of telepathy, which she uses to communicate with the highest aspects of who we are, bringing awareness and integration of those higher aspects of self into our daily lives. She will also discuss The New Human Experience Project, a revolutionary process that is designed to support the ability to shift consciously and joyfully to higher ex
