September 26th 2011: Earning Safe High Yields
in Volatile Times

Roger Conrad, editor of the Utility Forecaster and MLP Profits newsletters, is among the leading specialists on picking high quality, high yielding stocks. In this interview he will explain his technique for picking the safest electric, natural gas, coal and nuclear utilities with the highest dividend yields and dividend growth prospects. He will also explain how Master Limited Partnerships (MLPs) work and how to pick the best ones that offer a combination of high yields and growth potential. There are ways to earn safe, high yields in this volatile market and let Roger Conrad show you how to
