Cheryl Esposito welcomes John Renesch, futurist, renowned global thought-leader & author who provokes people to think differently about work, leadership & the future. He has been called "... a true visionary who sees the potential to rise above our failings and take the next step in human evolution before our system collapses." John's latest book *The Great Growing Up: Being Responsible for Humanity's Future* is about an urgent collective choice: to opt for responsible adulthood over the adolescent ways we relate to one another & our planet. It is not too late to create a future that is environmen
