May 15th 2012: Family Doctors Working with Family Caregivers

Dr. Susan Thouin is a physician practicing in the greater Toronto area. She's an owner of MD Care Connect. Karen Pivnick owns Topcat Relocation Transition Solutions. They talk about their work and experience with family caregiving. They discuss the problems created for care in the community, that is care outside of hospitals, by the pressures on the healthcare system. They explain the effects of these problems for family doctors and family caregivers, and identify those they think are the most serious. They explain the types of help the family caregivers need from family doctors and the types
