**August 15th 2012: Managing the Transition
Between the Third and Fifth Dimension with Jim
Self**

Jim Self returns to the show to give us an update on how our journey into the fifth dimension is unfolding. We are evolving more rapidly now than at any point in history. As the shift accelerates, many are feeling confused by the inner and outer changes that are taking place. Jim will explain what is taking place and offer us new Energy Tools for our personal and spiritual growth. Jim will illustrate how our entanglement in relationships and third dimensional limiting beliefs hold us back from experiencing the free flowing wonder of fifth dimensional living. www.masteringalchemy.com
