November 21st 2012: The Future in the Stars with Alison Chester-Lambert

Alison Chester-Lambert brings an astrological message for 2012 and beyond. Predicting changes and trends for the future, she will discuss her fascinating book which debunks the myths surrounding 2012 to provide a logical and spiritual theory. Wild claims and poor astronomy have fuelled a doomsday sensation about this energetic and special year, yet little or none is mentioned about the key planets sending the messages—Pluto, Chiron, Ceres, Makemake, Eris, and Sedna, as well as some newly discovered planets. www.midlandsschoolofastrology.co.uk

Alison Chester-Lambert

Alison Chester-Lambert trained at the Faculty of Astrology in London and then at the Centre for Psychological Astrology in Regents College, London. She worked for the astrology telephone lines of The Sun, News of the World and Sunday Times newspapers for over 2 years before moving from London to Tamworth in 2002. She continues to study psychological astrology, astropsychology, astrophysics, astronomy, cosmology, quantum physics and mythology. When she is not teaching, Alison writes a regular column for Paradigm Shift Magazine, and the Astrological Journal. She has published a deck of 'Astrology Reading Cards' and an acclaimed book entitled 'Starry Messengers', which is about the future for u
