December 24th 2012: Assuring Yourself of a
Safe Retirement Income Stream

Many Americans do not save enough or plan for their retirements so they have a much lower standard of living than necessary once they stop working. Christine Fahlund, the Senior Financial Planner at T Rowe Price Associates, explains in this interview all the steps you need to take to fund a comfortable retirement. She explains how to figure out the optimal time to start drawing Social Security benefits. She describes how to prepare yourself for the major financial risks of retirement and how you can set up a saving system during your working years so you know you will have enough to live comfo
