**February 26th 2013: THE SCIENCE OF SOUND
and VIBRATIONAL HEALING**

Sound can energize us when we are tired. Sound can soothe us when we are upset. Sound can lift our spirits when we are depressed. Sound can comfort us when we are grieving. Sound can heal us when we are sick. Sound can relax us when we are tense. Sound can redirect the innate, divine healing energy within us to wherever it is needed most and in the exact way it is needed. Sound is divine in that it knows only to operate according to the original principles of life and health, according to the Divine Blueprint held in each human's etheric body. Sound works according to divine ideas. Sound activ

David Hulse, C.M.S.T.T.

David Hulse, C.M.S.T.T. (Certified Master Sound Therapy Teacher) combines his 50 years of experience as a motivational speaker with years of research in metaphysics, science, sound and spirituality to bring you a unique and empowering experience. At the turn of the century, David's accelerating interest and research into the lost frequencies of the Ancient Solfeggio Scale, served as the Spirit-Guided catalyst for SomaEnergetics - a technique whereby the Solfeggio Tuning Forks help facilitate the releasing of energy to flow more easily. These custom-made forks, as well as training classes in the SomaEnergetics Sound Therapies are available exclusively through SomaEnergetics. "We are hearing
