**April 4th 2013: Breakthrough with Michael Pipich
Thursday, April 4, 2013**

Incurable and chronic disease affect approximately 133 million Americans--about 45 percent of the nation's population. With more chronic patients on the near horizon, and fewer doctors to treat them adequately, it's more important than ever to live well with chronic illness. On this episode of Breakthrough with Michael Pipich, author Richard Cheu brings his vast professional and personal experiences to the program, and will discuss his book, Living Well with Chronic Illness, a Practical and Spiritual Guide. He and Michael will share important information and inspiring stories to help guide
