EMPOWERMENT

The Self Improvement Show Archives Available May 2nd 2013: How Resilient Are You?

Stanley Green knows about resilience. Do you? How do you react when you've had a really bad day? What do you do when you mess up the big sale, or get in a fight with your spouse or your boss? What would you do if you lost your job to someone less skilled or knowledgeable? When things go wrong, do you sulk in a corner or come out stronger than ever, ready to take on new challenges? Why is it that given the same situation and circumstances one person will give up and quit and another will learn, grow and triumph? Do you deflate or bounce back? Stanley Green will talk about this "bounce back" factor

Stanley H. Greene

Stanley H. Greene helps people build their resilience—their ability to bounce back after a setback of any kind. He is President of the PowerThinking Corporation, a seasoned professional with over 20 years of experience in helping large corporations and small businesses reach their full potential. He has improved operational and financial results for companies primarily in cable TV, telecommunications, TV programming, and the Internet. Mr. Greene is a graduate of the University of Pennsylvania and has been inducted into the Hall of Fame of the National Association for Minorities in Cable (NAMIC). His flagship program, Resilience Online, is an effective, affordable training program which means
