Access Consciousness Presents Beyond Saying Thank You Archives Available

May 21st 2013: What to do when things go wrong: How to use everything to your advantage. (Or – What's right about this I'm not getting?)

When things don't turn out the way you expected, when something occurs that you judge as bad, wrong or terrible, what do you do? Do you go into trauma drama and upset? Do you hold onto a glum, angry or depressed attitude? What if there was a different possibility? What if you could ask questions and gain a different perspective on any event? Everything can be a contribution, even those things that seem terrible in the moment.
