**February 24th 2011: Your Journey of Success
Starts with You**

Richard Norris, an acclaimed author, speaker and leadership coach will challenge some ideas long held about leadership and will discuss how you can make the transition from "boss" to leader. He will draw from his vast experience with both success and failure to give you "inside information" on why some leaders fail and others succeed. He will talk about what makes a peak performer and explain what F.A.I.L.U.R.E. really means. Would you like to know how to choose a leadership/success coach that is right for you? Are you truly interested in success? Then you don't want to miss this show.
