September 17th 2013: Sharing Your Voice With
the World**

Do you know you have something to share or express and find the most insane excuses and justifications stopping you? What judgments come up in your world when you think of playing bigger? Who do you think you are? What if you fail? What will my Facebook friends think? Is it time to get out of your own way, start sharing your voice with the world and begin creating the life you truly desire? This week we are joined by special guest Blossom Benedict, international speaker, radio host, and Access Consciousness® Facilitator.
