Featured Guest

Jan Krause Greene

Jan Krause Greene lives in a suburb of Boston. While raising five sons, she wrote "HOMEFRONT", a popular newspaper column chronicling her life as mother, teacher and writer. Currently the co-host of a cable television show, Oneness and Wellness - the Good News Show, she also presents her original poetry at a variety of venues. Self-described seeker and visionary, her poetry and fiction examine life's big questions from the perspective of characters both young and old, struggling to understand their place in the world. She believes war does not create lasting solutions, love will be the real revolution, and the human heart can expand until it holds love for the whole world.
