#### Communication Nation with Jill Schiefelbein Archives Available

**September 17th 2013: Communication,  
Broadcasting and Complex Messages**

When it comes to communicating technical information in a way that any audience can understand, Wyatt Everhart knows his stuff. As the Chief Meteorologist for ABC 2 in Baltimore, Wyatt is a professional at communicating succinctly. In this episode of Communication Nation we discuss tips and tricks for being on camera and communicating complex information in a simple way. You'll get tips for how to deal with technical and human errors if you're broadcasting live, and you'll learn what mistakes to avoid when the camera is on.
