

Emerging and Frontier Markets Investing with Gavin Graham
Archives Available
October 16th 2013: Two Contrarian Cases, the International Monetary Fund, the Washington Factor and the United Arab Emirates

Gavin talks to a global roster of contributors about emerging and frontier markets again this week. John Derrick, portfolio manager at US Global Advisors calls in from San Antonio with a contrarian view of Russia and Greece. Ahmed Hafez, North American advisor at the National Bank of Kuwait provides a special report on the proceedings of the International Monetary Fund and World Bank and their potential impact on investments. Financial advisor and demographics researcher Peter Merrick analyzes the demographics of Indonesia and what they mean for investors. Dubai-based journalist Mark Town
