October 29th 2013: Are you the Voiceless One?

Are you the voiceless one? Or are you the one who is not heard? When you speak, do people even realize it? Is your voice inaudible? Or, do you simply not speak? Do you keep quiet when you have something to say that could create change? Do you worry about what other people will think? Or, do you know that what you have to say simply won't, or can't, be received? Do you twist yourself into someone you are not, to avoid any or all of that? Join us as we talk about this and so much more!
