November 19th 2013: What are you creating?

Whether we think so or not, we are constantly creating. Are you creating the life and living you would like to have? Is it expansive? Or are you creating crap? Are you creating within the confines of what's considered acceptable, or, are you creating beyond? Joyful or burdensome? Playful or hard work? Fun or grim? What are you creating? And, what would you like to create? Join us as we talk about all of this and so much more.
