January 1st 2014: The Primacy of Being with Neil
Kramer**

This special encore presentation was chosen from all of this year's shows to guide us into the New Year of 2014 through its profound truths. Neil Kramer returns to the show to discuss his latest insights around being and knowledge. All too often we are fixated upon gaining as much knowledge as possible. Neil sees this approach as a good way to start the journey, but at some point it becomes a hindrance and a saturation with information that prevents us from seeing the real truth which requires us to just be. Positioning ourselves on knowledge doesn't ultimately work. Productivity and succe

Featured Guest

Neil Kramer

Neil Kramer is a philosopher and esotericist. His work focuses on spirituality, mysticism, and metaphysics. He explores the relationship between inner development and the many social and cultural factors that influence our lives. Attention is drawn to embracing truth, confronting challenges, and transforming self.
