What if creation doesn't look at all the way you think it does? What if you could create in a way that works for you — as the speed of space? And what if that is what LIVING really is for you? Katarina Wallentin, Dr Dain Heer's communication coordinator, has a background in communication for international organizations and is continuously looking at a different paradigm of creation. Join us for a lively conversation that may corrupt all of your limited points of view of creation that you've bought from this reality. What would be possible if you were using the tools of Access to continuously
