October 23rd 2014: Frontier Market Expert on why it's Time to Look at Nigeria

With 7% pa GDP growth, a population of 174 mn with a rapidly expanding middle class and an improving regulatory infrastructure, Nigeria is earning a deserved place in international portfolios and offering new opportunities to foreign business. Guest host, Nate Suppaiah (Emerging Market Investors Association) interviews InVcap's Managing Partner, Olutoyin Oyelade, on the investment and business environment of Africa's largest economy. InVcap is an investment management firm providing accredited investors access to growth opportunities in West African economies; it also participates in developme
