The buzz: Only digital natives need apply. Two worlds collide. By 2020, about 75% of the world's workforce will be millennials (born 1982–2004). Employers are seeking future workforce skills in analytics, cloud, mobile, and social media (Oxford Economics Sept. 2014). Good news: Millennials, the Digital Economy natives, have these skills. How can your organization prepare to meet the demands of these digital natives as well as your need to grow through globalization? The experts speak. Ben Dollar, Deloitte: "Information sharing is power. If you don't share your ideas, smart people can't do anyt
