November 20th 2015: Looking Back, Looking Forward

Host Ann Gelsheimer reflects on key ideas from the first year of Conscious Evolution Radio with VoiceAmerica as well as from her attendance at the recent StarWorks USA conference entitled "UFOs, Technology, and Consciousness: Our Place in the Universe". Ann also announces a new scholarship program to help three young people attend the next StarworksUSA annual conference in Laughlin, Nevada in November of 2016. Music during this show was provided by Andrea Fisher from her Divine Evolution album. This is Ann's final show with VoiceAmerica, but Conscious Evolution Radio will continue via our we

Featured Guest

Andrea Fisher

From an early age, Andrea remembers having a deep connection to Spirit, spending significant amounts of time alone communing with plants, animals and trees. At thirteen, her curiosity for other-worldly mysteries found her delving into Astrological books and star-gazing.
