**February 23rd 2016: Behold the Digital Finance
Professional: Adapting at Lightning Speed**

The buzz: Faster! s digitalization, advanced analytical capabilities and other technologies disrupt the business world, the finance profession must change. Senior finance execs are seeking sophisticated information tools to support new demands on their role. How can they capitalize on innovations to deliver the highest value to the business? The experts speak. Srikanth Tamma, Deloitte: "Innovation has nothing to do with how many R&D dollars you have...It's about the people you have, how you're led, and how much you get it" (Steve Jobs). Nick Castellina, Aberdeen: "An organization's ability to l
