CIO Talk Network
Wednesday at 7 AM Pacific
February 24th 2016: Will IoT Improve Healthcare?

IoT promises transformation of healthcare industry by increasing efficiency, lowering costs and putting the focus back on better patient care. For those who have tried, what are the results? What are some of the related challenges that healthcare CIOs are facing while trying to maximize ROI from related investment? Guest: Dr. John Showalter, Chief Health Information Officer, University of Mississippi Medical Center
