March 3rd 2016: Half full? Half Empty? There is no Glass

Listen in as Marie and regular contributor Douglas Economy discuss how our view of the glass as half full or half empty changes once we realize there is no glass. Be part of the conversation as we study Vision and how it takes us beyond the body into spirit, guiding us to accept reality rather than judge it. Perception and a new way of seeing - the heart of this two-part conversation beginning on March 3 and continuing with Douglas' second appearance March 17. Please join us.
