April 28th 2016: Cutting Edge Technology from a Cutting Edge Technology Company - with LinkedIn VP Mike Derezin

Leading technology companies possess a great deal of data that can have a positive impact on peoples' lives. Companies like LinkedIn are perfect examples of that - creating the world's largest database of professionals in which to network. But they can also shed light onto the future of people's lives to help them better prepare and plan as professionals. Join me with Mike Derezin, VP of Sales Solutions for LinkedIn, to talk about the company's vision of the future and how it leverages its values and culture to stay relevant.
