**June 30th 2016: Can Transformational Leaders Create Social Justice In Banking?**

Yes they can!  
Meet Kat and Mike: Transformational Leaders And Social Justice Advocates For Business And Banking.  
Values-based banking, also known as ethical, regenerative, just or sustainable banking puts people before profit, and puts banking back in service of the people, organizations and communities that make it possible.  
The approach is practiced by a growing number of banks and banking cooperatives worldwide. These banks have diverse business models, products and services but one common banking model that commits to using all of the resources, people and capital t
