### The Power of Natural Healing Archives Available

**November 28th 2016: Encore: Andrew Saul and  
the Power of Vitamin C**

Friend of the show Dr. Andrew Saul discusses the incredible power of megadoses of Vitamin C, particularly in regard to Hillary Clinton's pneumonia, as well as new research showing its protective power against radiation, bacterial and viral ailments, and powering the immune system. He points out that animals make far more vitamin C than humans, and the production skyrockets when the animal is sick. Also, research shows that people do NOT die of pneumonia until their body is TOTALLY DEPLETED of vitamin C! Listen in to this lifesaving information about a common, easily available, yet miraculou
